A deposit is due within 48 hours of agreeing with me that you would like to be on the waiting list for one of my puppies. Your place will be held on the list for 48 hours, if the deposit is not received within this time you'll be removed from the list. The deposit is non refundable with the exception that I'm unable to provide a healthy puppy for you. If for some reason I'm not able to provide you with a puppy, I have 18 months from the original time you were supposed to be getting your puppy to provide you with another pup. If after the 18 months I'm still do not have a puppy for you, I will return your money in full. !! If you or I feel that none of the available puppies from the chosen litter would be a good match for your family you may roll over your deposit one time to the next litter.

If you need shipping, your puppy will be shipped with a health certificate stating that he/she is in good health. Total shipping costs are \$400 and include a health certificate stating that your puppy is in good health, a crate, special absorbent pad for shipping, time and gas for ride to and from the airport (2 and a half hours each way) a bag of the food your puppy has been eating, a new parents gift pack and the cost of the flight.

a. The genetic condition is sufficiently serious in the opinion of two qualified veterinarians, at least one of whom is selected by the Seller, to warrant the dog seriously debilitated for life.

If this happens I will give you another puppy of equal value, determined by me, within 18 months of when you are ready. You do not have to bring back your dog for this guarantee to be effective, (many breeders require this) Shipping the new puppy out and any other expenses related to shipping must be paid for by the buyer.

Parvo has a 12 day incubation period, for this reason if your puppy comes down with Parvo within 12 days of being in your home I will take the puppy back and have a new puppy available for you within 18 months.

TREATMENT MUST BE RECEIVED and a letter from your vet stating what treatments are needed and the cost of them, or the estimated cost over the time they are needed must be supplied to me. \$1,200 IS THE TOTAL THAT WILL BE REIMBURSED AND WILL BE GIVEN INSTEAD OF A NEW PUPPY IF THAT IS WHAT YOU CHOOSE. I have 18 months to reimburse you the \$1,200.
